SUPERMAN

*EVERYONE
MATTERS!*

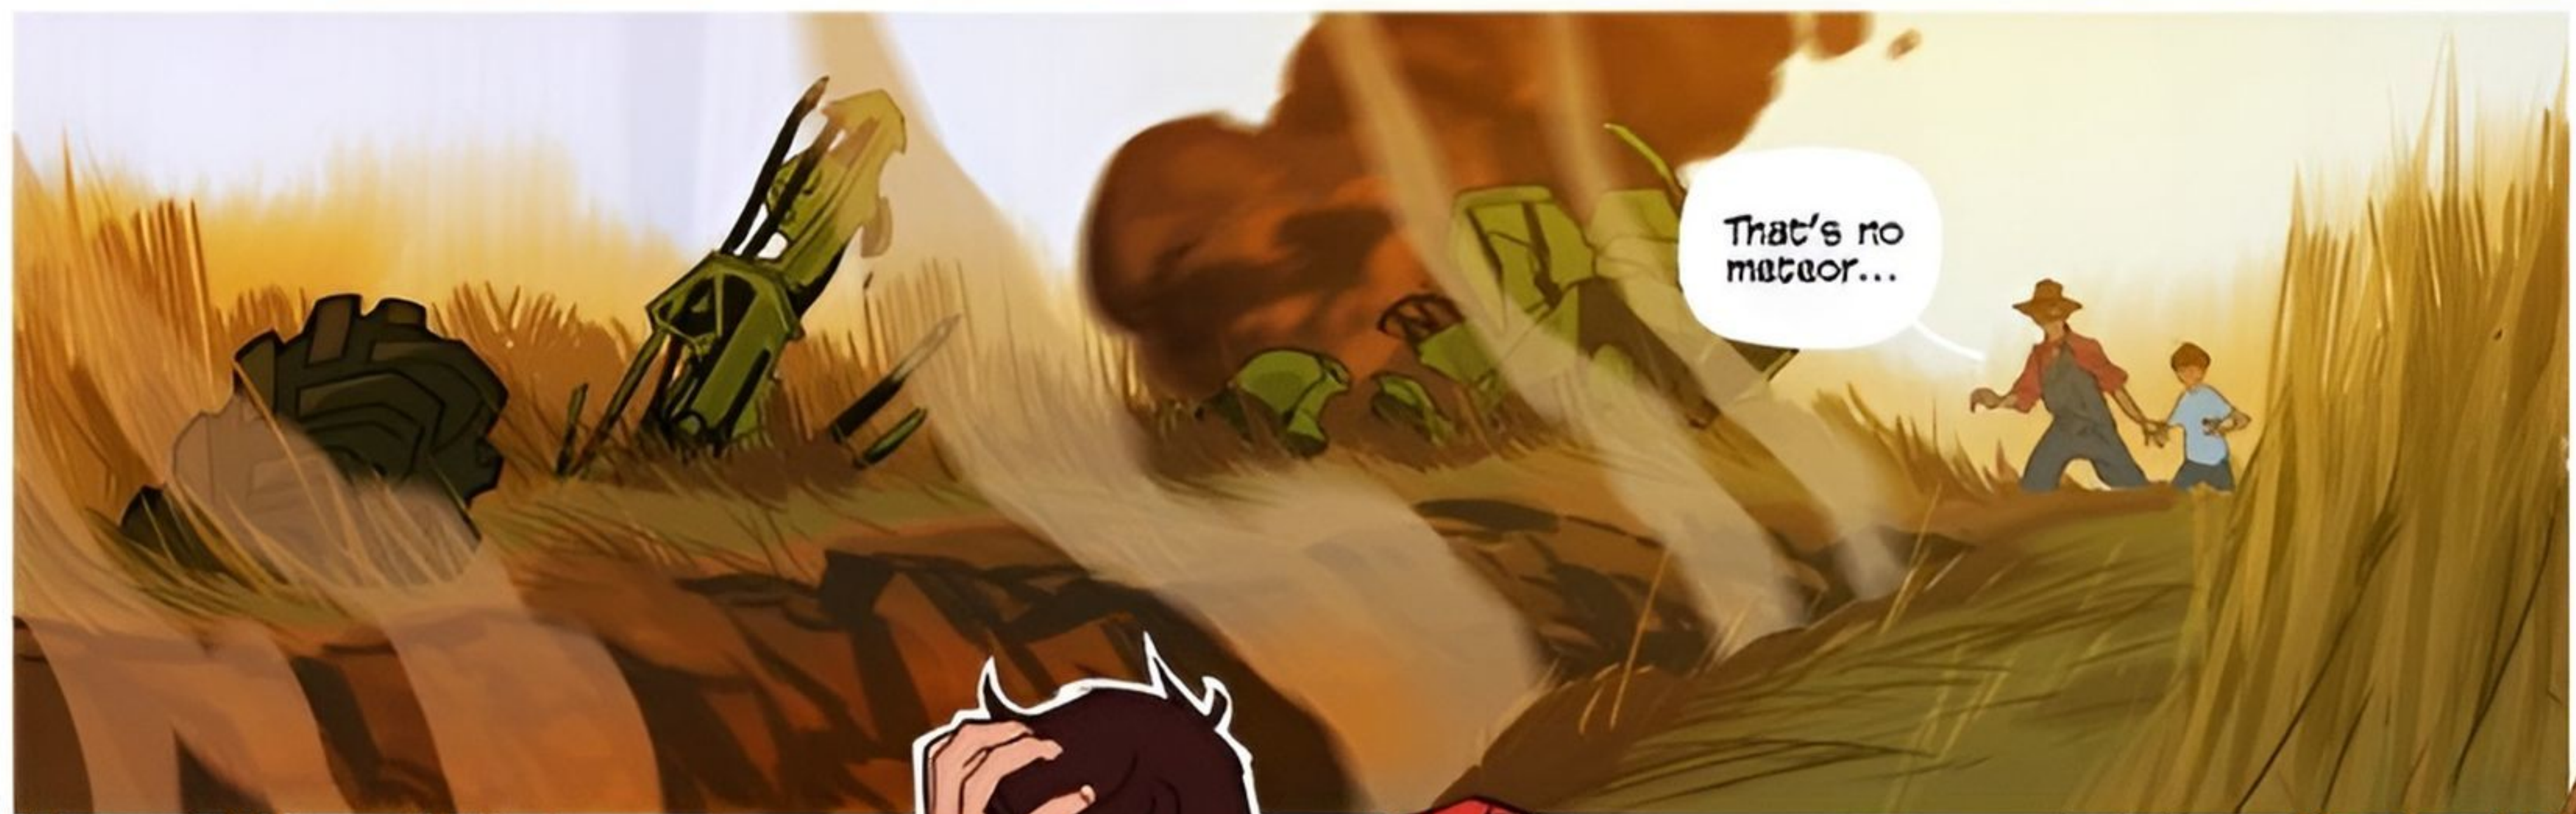

I think it was a **METEOR**, Grandpa!

Stay back, now. It may not be safe.

T-the **COMBINE!** Oh my goodness, look at this!

I **TOLD** you it was a meteor.

That's no meteor...

Hngh...
Didn't expect something so **BIG** to move that quick...

SUPERMAN

That thing really packed a wallop.

You okay, young fellow?

I'm fine, but I'm afraid your *combine* will never be the same.

I'm sorry, but I got knocked pretty *hard*, and when I saw the *farm*...

...I was just trying to avoid hitting the *house*.

Well, nobody was *hurt*.

That's all that's important.

But your combine is destroyed and you have a field of wheat that's *nodding*.

You a *farmer*, son?

Not *exactly*.
